## 2014 - 2015 Snow Plow Contract

Upon payment in full of \$ \_\_\_\_\_, Twin Lawn Inc. will agree to provide snow plow service at the specified address listed below. Service will be performed from November 1st through March 31st for the 2014 - 2015 snow season. Any plows performed before or after this date range will have a charge of \$10.00 per plow.

**Trucks will be out 24/7 and will provide a maximum of 2 plows per 24 hour period when a natural accumulation of 2 inches occurs.**

Please note:

- \* We will do our best to provide service by times requested but due to the unpredictable nature of snowfall, we must have ample time to make requests possible.
- \* Severe weather conditions or equipment breakdowns may slow down service.
- \* We will stake driveway after payment has been received, no later than November 1st, 2014. When season is over, please leave stakes out for easy pick up by Twin Lawn Inc.
- \* We do not open or close gates for service due to time restrictions.
- \* Shoveling is offered under these conditions:
  - All assigned walkways will be shoveled when all drives on route have been plowed and snow event has ended.
  - If interested, initial \_\_\_\_ and provide details below so that a price can be determined. Agreed price \$ \_\_\_\_\_.

➔ Referrals are always appreciated. A \$20.00 discount or reimbursement will be given for each signed referral contract.

**Please return a signed copy of this contract with payment and keep the other copy for your records.**
